Subject: Notice of Objection

Shoshone NF,

The Wyoming Wild Sheep Foundation has participated in multiple meetings and dialogue, and submitted separate and combined comments, on the Shoshone NF's (SNF) Supplemental EIS (SEIS) on "Use of Domestic Sheep, Goats, and Pack Goats." We are supportive of alternative 4 (see attached combined signature letter), but understand "objections" have been filed by other parties. Thus, via this electronic note the, Wyoming Wild Sheep Foundation is filing a "Notice of Objection" on the above SIES so that we are invited and involved in "objection" discussions relative to the above document.

Please provide us in advance with notifications including date, time, location of future "objection" discussions.

Please confirm receipt of this Notice of Objection.

Sincerely,
sk

Steve Kilpatrick
